

## OBSERVATION REPORT 2024-2025

The following report is submitted to the Executive Board for your review and dissemination as deemed appropriate:

**Number of Active Officials:** 86

**Number of Officials Observed** 85 (Katie Cooley was not seen)

**Percent of Officials Observed:** 99% (Goal was 100%)

**Number of Officials eligible for multiple observations: 80**  
(This number was derived by eliminating those officials who would not benefit from a second observation. These would be elder statesmen doing a middle school schedule.)

**Number of Officials Observed multiple times: 59**

**Percent of Officials Observed Multiple Times: 74%** (Goal was 60%)

Observer	Number of Observations
Ed Baehr	73
Doug Burdin	9
Tawnya Clough (Floor Ed)	6
TJ Haliday	21
Steve Ouellette	10
Dave Tourtelotte	26
<b>TOTAL</b>	<b>145</b>

### SYSTEMIC DEFICIENCIES:

1. **Indicating the throw in spot when you are the administrating official**
2. **Closing down on all shots in the trail and center position**
3. **Working the arc properly** (Most stop at nearest lane line)
4. **Widening out as the lead to observe rebounding action** (Stuck in the B position)
5. **Rushing the foul reporting sequence** (It got better as the progressed)
6. **Closing down on the final free throw as the trail on a 3 person crew**

### Improvements:

1. **Wrapping back**
2. **Closing on the free throw as the trail (2-person crew) & center**

- 3. Indicating the throw in spot when not the administrating official**
- 4. At the site of the foul reporting being proper and acknowledged by partners**
